

OCTO ORANGE

Cleaner & Degreaser

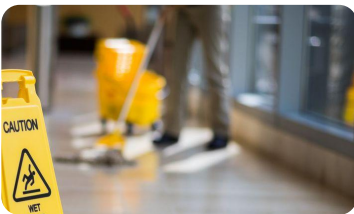

D-Limonene is a very effective, naturally occurring, biodegradable solvent & degreaser, extracted from the peel of oranges during our cold press process. No heat or chemicals are used during the extraction process therefore preserving the integrity of the oil.

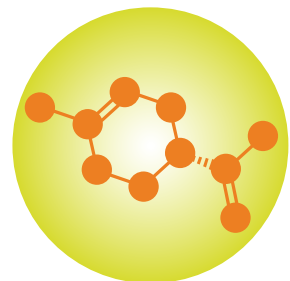

Octo Orange Cleaner is also safe to use around children, animals, and will not harm the environment.

USE ON: Window Cleaner, Kitchen and Bathroom countertops, Floors, Sinks, Bathtubs, Showers, Toilets, Carpets, Jewelry, Stove Tops, Upholstery, Ovens, Grills, Exhaust Hoods, Tape/Glue residue, Driveway Oil Spots, Drain lines, Air Freshener etc

Finally...A Powerful, All Natural, Eco Friendly Multi-Surface Cleaning Agent
