

OCTO

Clog Remover

OCTO CLOG REMOVER is a fast-acting clog remover. Our high-density formula sticks to pipe walls to liquefy drain obstructions caused by hair, oils, fats, sludge, paper products and other organic material.

Our eco-friendly formula is specifically designed for commercial kitchens in restaurants, bars, hotels, etc. Clearing a clog has never been easier.

OCTO CLOG REMOVER:

- Liquefies organic material, including hair, grease, oil, fats and sludge
- Is safer than using corrosive sodium hydroxide and bleach
- Does not damage drains, pipes and septic systems
