Octo Burst is an industrial strength de-greaser designed specifically for use in commercial kitchens, bars, & restaurants. Octo Burst is formulated with D-Limonene, a powerful and natural de-greasing agent created using the oils found in the peels of citrus fruits. Octo Burst cuts through grease, fats, and oils with ease. Octo Burst is also great for odor control as well as clearing clogged drains and sewer lines. Stop scraping away grease and fat deposits on sinks and counter tops, let Octo Burst do the hard work for you.
